ORIENTATION FOR LEARNERS

Module 1	Overview of the Basic Skills Training Program	1
	<i>Learning Objectives</i>	
	1. Rationale for the Basic Skills Training Program	3
	2. History of the Basic Skills Training Program	3
	3. Characteristics of the Basic Skills Training Program	5
	4. Material for the Basic Skills Training Program	6
	5. Orientation for Learners	7
	6. Role of the Tutor	7
	7. Tips for Learning BST Material	8
	8. Testing/Evaluation	9
Glossary		11
Appendix I	Assessment of Knowledge and Skills	
Appendix II	Learning Plan	
Appendix III	Record of Tutor Learner Contracts	
Appendix IV	Record of Completion	
Appendix V	Monthly Update Form	

BAND A: INTRODUCTION TO PEOPLE WITH DISABILITIES

Introduction to Band A	1
A1 That was Then... This is Now	3
<i>Learning Objectives</i>	
1. From Disability to Ability	5
2. From Paternalism to Empowerment	5
3. Attitudes and Beliefs	6
4. Basic Questions:	
a) What were services for people with disabilities like, historically?	8
b) How have terminology and definitions changed?	8
c) What is an intellectual disability?	9
d) How have people's rights changed?	9

f) What are appropriate values and attitudes for people in rehabilitation service?	9
g) What is the goal of rehabilitation service?	10
A2 Defining Intellectual Disabilities and Other Disabilities	11
<i>Learning Objectives</i>	
1. Definitions of Intellectual Disability	13
2. Intellectual Disability	18
3. Common Disabilities and Associated Conditions	19
4. Mental Illness and Related Conditions	25

5. Aging and People with Intellectual Disabilities	30
Glossary	33
Bibliography	37
Study Questions	39
 BAND B: INTRODUCTION TO SERVICES FOR PEOPLE WITH DISABILITIES	
Introduction to Band B	1
B1 History of Society’s Treatment of People with Intellectual Disabilities	3
<i>Learning Objectives</i>	
1. Changes in the 20 th Century	5
2. Historical View of People with Disabilities	5
3. Saskatchewan History of Services for Individuals with Intellectual Disabilities	7
B2 Organizations that Support Individuals with Intellectual Disabilities	11
<i>Learning Objectives</i>	
1. Organizations for People with Intellectual Disabilities	13
2. Your Organization	19
3. The Structure of Your Organization	20

B3 Documents and Legislation Pertaining to Services for People with Disabilities	23
<i>Learning Objectives</i>	
1. The United Nations Declaration of the Rights of Mentally Retarded Persons	25
2. The Canadian Charter of Rights and Freedoms	26
3. Saskatchewan Human Rights Code	27
4. Abuse Prevention and Investigation	28
5. Basic Standards Reviews	29
6. Comprehensive Personal Planning and Support Policy (CPP&SP)	30
B4 Community Options Available to People with Intellectual Disabilities	31
<i>Learning Objectives</i>	
1. Community Residential Options	33
2. Community Vocational Options	35
3. Supported Employment Options	36
B5 Terminology	39
<i>Learning Objectives</i>	
1. Terminology	41
Glossary	45
Bibliography	47
Study Questions	49

BAND C: VALUES AND ATTITUDES

Introduction to Band C	1
C1 Ethics, Values and Attitudes	3
<i>Learning Objectives</i>	
1. A Code of Ethics for Rehabilitation Workers	5
2. Values and Attitudes	10
C2 Citizenship	13
<i>Learning Objectives</i>	
1. Citizenship	15
2. Supported Decision-Making	16
C3 Inclusion	19
<i>Learning Objectives</i>	
1. Normalization	21
2. Inclusion and Integration	22
C4 Empowerment and Self Determination (Autonomy)	25
<i>Learning Objectives</i>	
1. Empowerment and Self Determination	27
2. How Participants and Staff Should Present Themselves in the Community	28
3. Guidelines for Service for People with Developmental Disabilities	29
Glossary	31
Bibliography	33

Study Questions	35
------------------------	-----------

BAND D: ROLES AND RESPONSIBILITIES OF DIRECT SUPPORT WORKERS

Introduction to Band D	1
-------------------------------	----------

D1 Roles and Responsibilities in Working with Participants	3
---	----------

Learning Objectives

1. Formal and Informal Roles of the Direct Service Worker	5
2. Responsibilities of the Direct Support Worker	5
3. Assisting with Socialization	10
4. The Importance of Good Role Modeling	13
5. Helping Participants Develop Positive Self-Concept	13
6. Respecting Participants' Rights and Responsibilities	14
7. Encouraging Independence	17
8. Encouraging Guided Choices	18
9. The Importance of Using Community Resources	19
10. Unobtrusively Noting Whereabouts of Participants when in the Community	20
11. Defining Sexuality and Assisting Participants to Understand their own Sexuality	21
12. Society's Attitude Toward Sexuality of People with Disabilities	23
13. Responding to a Participant's Sexuality with Sensitivity and Awareness	24
14. Handling Differences of Opinion	25

15. The Responsibility to Report Abuse	26
16. Roles as Steward of Government Funds, the Organization's Property and Participant Property and Money	28

<i>Learning Objectives</i>	
1. The Rights of Parents and Families	32
2. Talking with Parents	33
3. Acting on Behalf of the Participant if Parents are not Acting in his/her Best Interest	34
D3 Responsibility to Self	35
<i>Learning Objectives</i>	
1. The Direct Support Worker's Responsibility to Look After Personal Wellness	37
2. Definition and Discussion of Stress and Burnout	37
3. Physical and Mental Signs of Stress and Burnout	38
4. Causes of Job Stress and Burnout	40
5. Decreasing Job Stress and Preventing Burnout	41
6. Finding Enjoyment in Direct Service Work – Having a Positive Attitude	44
7. Characteristics of a Good Employee	44
8. Receiving and Giving Constructive Feedback	45
9. Resolving Problems Among Staff Members	46
Glossary	49

Bibliography	51
Study Questions	53
 BAND E: COMMUNICATION	
Introduction to Band E	1
E1 Communication	3
<i>Learning Objectives</i>	
1. Communication and Language	5
1.	
2. Nonverbal Communication	7
3. Structure, Meanings, Modes and Context of Language	11
4. Functions of Communication	15
5. Factors that Affect Communication	20
E2 Improving Communication Skills	23
<i>Learning Objectives</i>	
1. Importance of Self-Awareness to the Communication Process	25
2. Barriers to Communication	26
3. Ways to Improve Your Listening Skills	27
4. Ways of Communicating Your Message	29
E3 Enhancing Communication Skills of People with Intellectual Disabilities	31
<i>Learning Objectives</i>	
1. Relationship Between Communication Skills and the Goals of Rehabilitation Work	34

2. The Role of Direct Support Workers in Assisting Participants to Improve their Communication Skills	35
3. The Team Approach to Enhancing Participants' Communication Skills	35
4. Normalizing Communications Between Staff and Participants	36
5. Ways to Help Participants Develop or Enhance Communication Skills	38
6. Assistive Communication Techniques	42
7. Helping People with Disabilities to Articulate	46
Glossary	47
Bibliography	51
Study Questions	53
 BAND F: HEALTH, SAFETY AND EMERGENCIES	
Introduction to Band F	1
F1 Understanding Participant's Health Needs	3
<i>Learning Objectives</i>	
1. Personal and Recorded Information About Participants' Health Needs	5
2. Using Medical and Personal Information to Prevent Accidents	5
3. Ethical and Legal Considerations Involved in Health Issues	6

F2	Understanding and Preventing Infection	7
	<i>Learning Objectives</i>	
	1. Definition of Infection	9
	2. Four Factors in the Growth of Germs	12
	3. Universal Precautions for Direct Support Workers	12
F3	Preventing Accidents and Injuries	19
	<i>Learning Objectives</i>	
	1. Causes of Preventable Injuries	21
	2. Prevention of Injuries	22
	3. Ways to Prevent Falls	23
	4. Ways to Prevent Fires	24
	5. Ways to Prevent Burns and Scalds	27
	6. Ways to Prevent Sunburn	28
	7. Ways to Prevent Electrical Shocks	28
	8. Ways to Prevent Cuts	29
	9. Ways to Store and Use Hazardous Materials	30
	10. Safety Precautions for People with Visual/ Auditory Impairments	31
F4	Effectively Dealing With Emergencies	33
	<i>Learning Objectives</i>	
	1. Making an Emergency Evacuation Plan	35
	2. Emergency Information	35
	3. Dealing with a Fire	36

4. Responding to Medical Emergencies	37
5. When and How to Call for Help	39
6. A Person’s Possible Responses to an Emergency	40
7. First Aid	41
8. How to Treat Seizures	41
9. How to Respond to Suspected Poisoning	44
F5 Medication Delivery	45
<i>Learning Objectives</i>	
1. Safe Storage of Medication	47
2. Five “Rights” of Assisting Participants with Medications	48
3. Keeping Medication Records	48
4. Packaging Medication	49
5. Safe Transportation of Medication	50
6. Precautions for the Use of Over-the-Counter Medications	51
7. Procedure in Case of a Medication Error	51
8. Ethical and Legal Considerations in Medication Delivery	52
F6 Participant Safety In The Community	53
<i>Learning Objectives</i>	
1. Safety for Pedestrians	55

2. Using Public Transit Systems Safely	57
3. Emergency Procedures for a Participant When Lost	57
F7 Body Mechanics	59
<i>Learning Objectives</i>	
1. Importance of Good Body Mechanics	61
2. Principles of Good Body Mechanics	62
3. Rules of Body Mechanics	64
4. Assisting with Participant Transfers	65
F8 Food Safety	67
<i>Learning Objectives</i>	
1. How Food Poisoning is Caused	69
2. Preparation, Cooking and Storage of Food	72
Glossary	79
Bibliography	83
Study Questions	85

BAND G: SKILL DEVELOPMENT

Introduction to Band G	1
G1 Planning and Principles for Skill Development	3
<i>Learning Objectives</i>	
1. Principles for Skill Development	5
2. Person Centered Planning	7
3. Teamwork	8
4. Finding Natural Opportunities to Enhance Learning	9
5. Comprehensive Behavior Support Plans	11
G2 Using Structured Strategies to Facilitate Skill Development	13
<i>Learning Objectives</i>	
1. Structured Skill Development Strategies	15
2. Using Rewards (Positive Reinforcement)	19
3. Supporting New Skills in Different Settings	21
G3 Monitoring and Reporting on Progress Toward Goals	23
<i>Learning Objectives</i>	
1. Reasons and Benefits for Monitoring and Recording Observations	25
2. Ten Principles to Use as Guidelines for Reporting	27
3. Types of Reports	28
Glossary	31
Bibliography	35

Study Questions	37
 BAND H: PERSONAL CARE	
Introduction to Band H	1
H1 Hygiene and Personal Care Tasks	3
<i>Learning Objectives</i>	
1. Guidelines for Assisting with Personal Care Tasks	5
2. General Guidelines for Assisting with Specific Tasks	7
H2 Dressing and Grooming	17
<i>Learning Objectives</i>	
1. Guidelines for Assisting with Dressing and Grooming	19
H3 Providing for Special Needs	21
<i>Learning Objectives</i>	
1. Caring for a Participant who is Incontinent	23
2. Using Protective Garments	24
3. Assisting with Toileting	24
4. Assisting with Bladder and Bowel Training	25
H4 Assisting People with Severe Physical Disabilities	27
<i>Learning Objectives</i>	
1. Assisting with Mobilization Aids	29
2. Assisting with Mechanical Lifting Aids	35
3. Range of Motion Exercises (using routines set up by a physiotherapist)	37

4. Supporting Participants who Require Repositioning	39
5. Positioning Participants using Supportive Devices	41
6. Assisting Participants with Eating	41
Glossary	45
