

Call for Employment Testimonials

SARC is currently gathering new testimonials from SARC Member employees regarding their experiences working in the disability service sector to include as part of the Careers page on the SARC website and to promote our new campaign "Start With Hello".

We'd love to hear from you! Please create a testimonial, approximately three to four sentences in length, regarding your career in the disability service sector. We value the work that you do and your commitment to the lives of people experiencing disabilities. The testimonials we collect will be used to promote careers and the great work of SARC Members across Saskatchewan, and your testimonial may help others considering employment in this field.

Also, each employee will need to sign the Consent Form to allow SARC to use their testimonial on the Member Careers web page.
