

Employee Assistance Program (EAP)

SARC has a contract with TELUS Health, the world's leading Employee Assistance Program, designed to help employees manage and prevent life's challenges, so they can stay healthy at work and at home.

TELUS Health EAP aids you in your specific needs with:

40+
Organizations

2,200+
Employees

A full-service, confidential, efficient single resource, available to employees, 24/7

Face-to-face counsellors and consultants with specialized services to help on various subjects

A collection of education materials and resources, developed by TELUS Health to comprehensively meet the needs of our clients and their employees (see detailed list on opposite page)

An easy to access website, available to help people access our resources at any time

Fast and reliable services – support staff are available to assist you when the unexpected occurs

Referrals to resources, services, and supports in your community

The service is available for all staff—including management—to help create a happier, more productive workplace. Management can access Management Consultations on issues related to:

- Dealing with conflict
- Leadership skills
- Communicating with team members
- Building resilience and boosting morale
- Managing stress and overload
- Performance management
- Substance use/mental health concerns

As per the contract with TELUS Health, the fixed fee per employee is:
\$3.06 + GST per month/\$36.72 + GST per year
